

Out & About with Lori Sunflower

What does FREEDOM mean to you?

Lisa Cole

Freedom means to me just free to be me. And that applies to everyone.

Amber Dawn (& Jaybee)

Freedom to me means loving whoever I desire, and feeling free to express who I am without fear of retribution or judgement.

Ave Doering

I would say freedom is like the most absolutely amazing, gloriously sublime music that you just can't help dancing to.

Felicia Passarella

It is our birthright to be free of dominion, systems, beliefs, government and ideas of which enslave our soul's evolution. Creating your own reality is freedom to BE.

Christopher

Galatians 5:13 - "For you have been called to live in Freedom, my brothers and sisters. But don't use your Freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in Love."

Jacob Pesqueira

Freedom to me looks like I have the freedom to live and grow in peace and pursue my dreams, keeping in mind that it's also my responsibility to remember that there are others who hope to have freedom and finding a way to live so that we can respect that.

Michael Bertin

The ability to follow my intuition without regards to conflicting rules and regulations.

Benjamin Byer

We, the people, in natural law, self governance. And remember that freeloading is not freedom. It's just dumb.

HAPPY INDEPENDENCE DAY!
